In 2019 and early 2020, Promise Neighborhood teams wearing orange shirts knocked on doors to ask families to take a survey about health, housing, safety, education, employment and the community. The goal is to help identify the needs of families and help us understand whether Promise Neighborhood is achieving what it said it would do. Below are some data related from the Neighborhood Survey and also from the School District of Philadelphia that is related to **high school students and their goals**.
